## *Foreword*

---

There are certain things that look different if you look at them from different angles. Take, for example, a house plan; if you look at it from the top elevation, front elevation or from any of the sides of the house, you will see different things. But you cannot take one side and conclude that the side is what the whole house looks like.

There is so much that has been taught about faith which was only just one side of faith. "It is only faith that moves God, not your tears," is one of the popular and most accepted teaching on faith. I cannot say such a teaching is wrong. It is just one side of faith; it is half the truth. I believe that half-truth can become false if it begins to be emphasized as if it is the whole truth.

I have written this book to show you the other side of faith, which I believe should be the foundation of what we should know about faith. Taking faith as a vehicle through which we receive answers

and miracles from God should be the basis of all faith teachings, I believe.

However, as you begin to grow in faith and in the knowledge of God, you may get to faith levels which may seem like your faith actually moves God. I have had such experiences in my faith walk and I think that is the level where most of our faith fathers taught faith from. But if I try and teach you faith at such a high level without having given you these basic foundational truths on faith first, I will confuse you.

The bottom line is that faith doesn't move God; it is just a receiver of miracles from God.

I know, there is a different side of faith where it feels and looks like your faith is really moving God. At this level it becomes difficult to know if it is your faith moving God or not. It takes someone who has a great understanding of the spiritual to tell the difference. I shall talk about this in another book, but for this book, let us get ourselves grounded on a good foundation.

You cannot build a strong house

without having made a strong foundation first. You cannot rise in faith if you are not grounded on the sound faith teaching that I have written in here.

I always like to tell people that whatever I teach on any topic is not everything that exists on such a topic. But the lessons in this book are very good for every believer to get grounded on a strong faith foundation.

# Chapter 1

## *Faith Is a Receiver*

---

After you have finished reading this book your faith shall increase and you shall begin to see tremendous results out of it. Faith is very easy to operate in but we (preachers) have made it so difficult by the way we have presented it. Jesus said that even little faith as small as a mustard seed can work great miracles.

Now, let's talk about this. Does faith move God? Many will say yes and will even go to the extent of getting upset with me for saying that it does not move God. There are so many teachings we have accepted and taught without even bothering to verify them with the bible.

Does faith move God or does it move a human being towards the word of God? If you cannot differentiate between the two then you have a faith problem. Actually, the bible never said faith moves God. It

only said it can move a mountain.

If faith moves God then why is it that we have so many Christians who complain that God did not answer their prayers which they prayed in faith? As a preacher I get these 'complains' a lot of times.

"Pastor, I don't understand faith at all. There was a time when I had a lot of faith that I was going to get a certain job but I was never called to the interview at all."

"Pastor, how do I encourage my friend? She was strongly believing for a financial breakthrough to pay her rentals by the end of the month. The month came to an end and no breakthrough showed up. She kept believing for several more days but no miracle happened. Now she has been kicked out of the apartment. As I am speaking she is angry at God for not responding to her faith. I know she had so much faith but God didn't act. How do I encourage her?"

"Pastor, does God really answer to faith or is it just by luck that some miracles happen? I can't tell you how many times I have raised my faith to receive my miracle

when preachers were declaring the word of God, but no miracle ever happened. Should I keep believing that one day God shall respond to my faith?"

I have just written very few of the concerns and questions that are normally raised by people who had 'too much' faith which didn't work. When I was still in high school I used to respond to such questions with statements like, "You didn't have faith enough. You need to raise your faith higher than that."

Now that I have walked with the Lord for some time, my perspective on faith has changed. If someone says, 'I had strong faith Pastor...' I no longer tell them that they didn't have the highest amount of faith that God required. I now look at it with a different view.

Through much study of the bible and of different faith teachings, I have come to a conclusion that faith does not move God at all. God has already moved with our answer and He is waiting on us to respond in faith and receive that answer.

Faith is a tool that we use to collect

miracles from God. We are the ones who are supposed to collect or receive from God. We do not use faith as a way to make God give us anything. God has already provided grace for anything we want. Faith is a receiver of miracles. This is going to get clearer to you as you shall read on in the following chapters.

### **Faith receives**

*James 1 : 6-7 (NKJV)*

*But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind. For let not that man suppose that he **will receive** anything from the Lord;*

There is something James is trying to get through to us about faith. If you can get to understand faith with James' perspective, you will be amazed at the results your faith shall produce.

In those verses there is a key to miracle producing faith. James says, 'let him ask in

faith without doubting...' When most Christians read that statement they quickly run ahead of the bible and form their own powerless doctrines. They begin to see faith as something you do to be seen by God so that He will answer.

That is not the understanding James had when it came to faith. He wasn't saying you should ask in faith so that God will respond to that faith. Let's read on as James gives his reason for asking in faith without doubting.

About the man who doubts James then says, 'let not that man suppose that he will receive.....' Let's end there. James is trying to say that if you do not ask in faith you will not receive anything from God.

Now, the problem arises when a Christian reads that with a wrong mind-set about faith. If you are someone who believes that faith moves God you will give wrong interpretation to what James is saying. I am saying this because I used to have a wrong understanding of faith.

Whenever I would read that verse I would then think that James is saying that

if you do not ask in faith you must never think that God will give you anything. I was wrong and that is why I used to have trouble with my faith; sometimes it would produce results but sometimes it would not. I had defined it wrongly.

James in that scripture mentioned nothing about God refusing to give us our answers because we do not ask in faith. James said that if you do not ask in faith do not ever think that you will RECEIVE anything from God. The issue here is about YOU failing to receive NOT about God refusing to give.

Did you get the picture? Let's say I am holding a gift in my hand and then I stretch my hand towards you in order to give you that gift, what must you do to get that gift from my hand?

You simply have to stretch your hand and RECEIVE what I am giving you. If you do not stretch your hand to receive the gift from my hand it will remain with me. This is the idea that James is trying to get across to our minds. God has already stretched His miracle filled hand towards us but

those miracles will remain with Him unless we also stretch our hands of faith to receive.

Faith does not make God give us anything. God gives us things based upon His own grace and love. Faith acts as a receiver of those miracles. If you fail to receive with your faith what God has already handed to you it does not mean that God did not give you.

You use your faith towards things that God has already given. The problem with some people is that they want to use their faith to make God do something. If you do so you will get nothing.

## Chapter 2

### *God Already Moved*

---

*1 Peter 2 : 24 (NKJV)*

*who Himself bore our sins in His own body on the tree, that we, having died to sins, might live for righteousness—by whose stripes you were healed.*

Faith for healing has been something that troubled me some years ago when I was still a teenager. I had believed the scripture on 3 John 2 which says, "Beloved, I wish above all things that you prosper and be in health..." That became my reason for not wanting any form of sickness and pain in my body because I knew God wanted us to be in health.

Despite my strong belief in divine health, my faith seemed to fail me sometimes. I would at times catch a flue, felt some pain in my body, have a stomach ache or headache and at some point I got

malaria.

I had one faith formula for dealing with all those sicknesses which used to fail and discourage me. Sometimes it would work but many of the times it would not.

When it comes to applying faith for healing I would say, "Father in the name of Jesus I believe that your word reveals to us that it is your wish that we be in health. I refuse to have this headache in the name of Jesus. Health is my portion and headache has no power in my body in Jesus' name!"

Such a prayer would work only few of the times and that used to confuse me because I did all my best to apply faith based on the word of God. I knew that the bible says faith comes by hearing and hearing by the word of God. But the more I apply my faith the less I saw results.

There was nothing wrong with the kind of prayer and affirmation that I used to do. In fact, that is how you can voice your faith in the word of God. Regardless of me being correct in applying my faith in the word of God, I was wrong in my perspective of faith.

My thinking or my motive for having that faith was what was wrong. I used to think that if I applied faith then God would see my faith and heal me. I had true faith but applied it with wrong motives. In other words, I prayed amiss.

### **What Was Wrong With My Faith?**

As I have said, my motive for having faith was so that God would look at my faith and heal me. I applied faith in order to convince God to move. That is not the purpose of faith.

I had one verse in the bible that I had understood in a wrong way. I had read Hebrews 11:6 which says that without faith it is impossible to please God. So I thought faith is what moves God. I was wrong and I know that there are many people who think that Hebrews 11:6 is about moving God with our faith. No. I shall explain it in the following chapters.

One day the Holy Spirit helped me understand faith better when I was

diagnosed with malaria. I was sick for about three days and was in bed all that time. I had some prescribed medication that I was taking those three days.

Because I believed in divine health, I was very embarrassed for being in bed and taking medication. I had confessed the word of God on healing since day one but my body never recovered. I confessed 1 Peter 2:24 a lot of the times but no healing happened.

On the third day of my sickness, I had become so tired of being sick and in bed. I really wanted a healing miracle to happen. I prayed a prayer of faith for healing and then started confessing 1 Peter 2:24 which ends with the words, "by his stripes you were healed."

I would say, "I declare that I am healed by the stripes of Jesus. I refuse sickness. I refuse to have any disease reign in my body. Healing is my portion. By the stripes of Jesus I am healed, in the name of Jesus."

Again there was nothing wrong my my faith confession. The only problem with my confession was my motive for saying

that. I thought if I apply faith like that God would see it and move in with healing for my body.

As I was getting tired of saying that the Holy Spirit reminded me of what I was saying. I was saying, 'by his stripes I am healed' quoting scripture. I felt the Holy Spirit said to me, "If you were healed by the stripes of Christ why are you still lying there in bed as if you are still sick?"

That is when all lights went on in my mind as far as faith is concerned. I was very close to having true faith but I missed it when I thought it would be God's job to heal me because I had faith. No. The scripture I was quoting was just telling me that God healed us already when Christ was smitten. Healing was something that God had already done 2000 years ago when Jesus hang on the cross.

Quoting scripture was now my duty in order to receive the healing that has been given already. When the Holy Spirit spoke to me, I did not bother to argue with Him, I instantly rose from the bed and started walking around thanking God for my

healing. As I thanked God I was still feeling pain and weakness but I kept on thanking God for healing me and confessing the same scripture.

This time around my thanksgiving and confession was no longer for the purpose of trying to manipulate God into healing me. I was now doing it in perfect faith; faith that receives miracles from God. I knew God had sent healing already because of the stripes of Christ. God was done with us as far as healing was concerned, It was now our turn to just collect the healing we have been given.

As I continued in thanksgiving (but still feeling sick) my thanksgiving prayer convinced my mind to believe that I was healed regardless of what I was feeling. I stayed with that healing consciousness in my mind until after a few minutes when I suddenly realized that I was no longer sick. All the pain was gone and I could not even tell what time the sickness departed.

Let me tell you this right away; God has already moved in your life with all the answers and miracles that you want from

Him. There is nothing you will pray for that God has not made available to us (unless you pray for something He did not mention in the word). If you pray for something He has not given you then your faith will fail to work. Faith works on things that God has already granted you. It is a receiver.

The reason why we pray for the things we pray for is because we are sure that it is God's will to give us those things. Jesus died in order to restore us to life in abundance. His death purchased salvation for us and that salvation contains everything we need for life. Through the death, burial and resurrection of Christ, health, prosperity and well-being has been granted us.

*Ephesians 1 : 11 (NKJV)*

*In Him also we have obtained an inheritance, being predestined according to the purpose of Him who works all things according to the counsel of His will,*

The word says we have obtained an inheritance in Christ. What is that inheritance? All the blessings of Abraham belong to us. All that Jesus obtained when He died and rose again belongs to us. Jesus was given a name that is above all names and He has granted us permission to use that name to access anything we want from God.

We use faith to receive what we have already been given. We can't keep begging God to give us things that He has already given us. Do you now understand faith? It is not yet enough, let us talk more in the next chapters.

## *Chapter 3*

### *Grace Saved Us And Worked Everything For Us*

---

I said in chapter 1 that God is moved by His love and grace; not by our faith. John 3:16 is one of the most popular scriptures in the New Testament. It says, "For God so loved the world that He gave....." You can finish the scripture in your mind but I trust you saw what I wanted you to see.

God loved the world and that love moved Him to give the world something. There is a popular saying that goes, 'love is not love until you give it away.' The King James Version uses the word 'charity' for love on several scriptures. I like that word because charity can be defined as love that expresses itself (especially in acts of mercy).

God is love. God is charity. God's love

moved Him to give us His only begotten Son. You know what; when God gave us His Son He had given us everything that we would ever pray for.

When Jesus came to the world, He did not come empty handed. He came with healing for the sick, deliverance to the oppressed, sight to the blind, the good news to the poor and, above all, salvation for all humanity.

Jesus did so many mighty miracles. He addressed so many issues in people's lives. He mended marriages, healed broken families, brought breakthroughs to businesses (of those fishermen who had spent all night catching nothing), and Jesus even addressed financial issues and many things that trouble mankind.

Truly, by God's own act of love the whole world was changed forever. The mighty hand of God had been stretched towards us.

My question is this: what kind of faith did those people apply in order to have God send Jesus? Nothing. No one had applied any faith. It was God who chose to

send Jesus to us just out of His own love and grace. The love of God is what moves God; not your faith.

*Mark 1 : 40-41 (NKJV)*

*Now a leper came to Him, imploring Him, kneeling down to Him and saying to Him, "If You are willing, You can make me clean." Then Jesus, moved with compassion, stretched out His hand and touched him, and said to him, "I am willing; be cleansed."*

If you check that scripture, the leper who came to Jesus had one problem. He wanted to believe God for his healing but he was not sure if it was God's will to heal him. However, he had all faith that Jesus can heal if he wants. He never doubted the power of healing that Jesus had but what he wasn't sure of was whether or not Jesus was willing to heal him specifically.

The bible then says Jesus was moved with compassion and touched him (in order to show him love) and told him that, "I am willing; be cleansed."

The part I want you to get is that part that says Jesus was moved by compassion in order to release healing. It was not this man's faith that moved Jesus but Jesus' own compassion. The man's faith was only for the purpose of receiving the healing that is already been granted.

The moment the man heard that Jesus was willing to heal, he raised his faith and received his healing. It was just a simple step of faith.

### **Grace Moved God**

*Ephesians 2 : 8 (NKJV)*

*For by grace you have been saved  
through faith, and that not of yourselves;  
it is the gift of God,*

There is something powerful that we get from Ephesians 2:8 there. The first part of the verse says, "by grace you have been saved...". This statement alone contains all that you need to understand about how God works.

How did God save us? It was by grace that we were saved. The salvation being talked about here is more than what we think. The greek word translated saved there actually means deliverance from darkness and all things that belong to the kingdom of darkness.

Sin belongs to the dark and evil world of the devil. Poverty belongs there; sickness belongs there, and all misfortune and curses belong there. By grace God has brought to us deliverance from sin, spiritual death, sickness, poverty, demonic bondages and the like.

Most of the things we use faith for are in the bracket of the things grace has given to us. Grace delivered us from sin and brought to us the righteousness of God. Grace delivered us from sickness and brought healing to us by the stripes of Christ. Grace delivered us from poverty by making Jesus poor on the cross so that the blessing and riches of Abraham might come on us.

On the cross of Christ it was grace that was working all things and sorting out our

deliverance.

## **Through Faith**

Let us now get to the faith side of the grace-faith equation. Grace is what saved us. Grace is the working of Christ on our behalf. Faith is now the response that we (people) do in order to receive what grace has provided.

God brought us deliverance through Christ but for us to be delivered or to have that deliverance work in our lives we need to access it by faith. The second part of that verse says that we were saved, "through faith...."

As soon as Paul mentioned faith he quickly added, "and that not of yourselves; it is the gift of God..." There is something you need to understand about what Paul is talking about. Paul is trying to say that God worked on his own without being moved by anything that you have done. It is not your faith that moved God; it was His own grace that moved Him.

The purpose of faith is for us to access or collect what God has given. Jesus has

been given to the whole world. Jesus died for the whole world and made salvation available to the whole world by God's grace.

However, because Jesus has made salvation available to everyone, it does not mean that everyone is now saved. The world needs to do something in order to receive that salvation in their lives. That something is the faith action. We use our faith to receive Jesus or to receive salvation. We do not use our faith to make God give us Jesus or save us because He has already done that by His own grace.

### **Faith Speaks In This Way**

*Romans 10 : 6-8 (NKJV)*

*But the righteousness of faith speaks in this way, "Do not say in your heart, 'Who will ascend into heaven?' " (that is, to bring Christ down from above) or, " 'Who will descend into the abyss?' " (that is, to bring Christ up from the dead). But what does it say? "The word is near you, in your mouth and in your*

*heart" (that is, the word of faith which we preach):*

If you cannot get anything out of this book then just get only this part of the book and let the above scripture stay with you. It says that the righteousness of faith does not even think of trying to move Jesus out of heaven in order to make Him come to save us.

Real faith is when you know that Jesus no longer need to move anymore to come with our salvation. The word that gives you salvation or anything you want from God is in your heart and in your mouth. Paul then ends the verse by saying, "this is the word of faith that we preach."

Do you want to have the kind of faith that the Apostles had? Then you must stop thinking that your faith can move God. God moved already, your miracle is a done deal. The only piece of the puzzle left is the word of faith in your heart and in your mouth that simply receives what God has already given you.

Paul was talking about Salvation in

those verses. He was telling his followers that faith for salvation does not mean you are trying to make God move out of heaven and save you. Faith for salvation is when you simply open your mouth and receive the Lord Jesus as your Saviour and you will be saved.

### **The Same Way You Received** **Salvation**

*Colossians 2 : 6-7 (NKJV)*

*As you therefore have received Christ Jesus the Lord, so walk in Him, rooted and built up in Him and established in the faith, as you have been taught, abounding in it with thanksgiving.*

Colossians 2:6 is one of my most favourite scriptures. It is very easy to understand because it tells you the simplicity of walking with Christ. It says that the same way or manner in which you received Jesus is the same way that you should walk in Him.

How did you receive Jesus? You used faith and prayed the prayer of Salvation in faith; and at that moment you knew very well that you were saved. You never felt saved but you just knew deep down in your heart that you are now born again into God's family. You had simple faith in the work of Christ. You knew that Christ had died for your sins and all you needed to do was to believe in Him and receive Him.

Now that you want healing or anything from God, why is it that you now think that you have to do some faith in order to make God heal you?

Why can't you just relate with Christ the same way you related with Him when you received Him as your saviour? You used simple faith. You knew that your salvation was a done deal and Christ has already died for you and made salvation available to you.

Why don't you use the same kind of faith now? Your healing is a done deal. Your financial breakthrough is a done deal. Your marriage is a done deal. Just use the

same simple faith you used at salvation and pray a prayer to receive that healing. Once you pray to receive, believe that you have received and allow the peace of God rule in your heart.

I trust you now understand something about faith at this point. But we are not yet through with this subject; there is still more about faith that you still need to know.

## Chapter 4

### *Faith Pleases God*

---

*Hebrews 11 : 6 (NKJV)*

*But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him.*

This is one scripture that kept making me think that it is our faith that can move God into doing things. After I understood faith I began to revisit some of these scriptures that I used to base my doctrine on. I hadn't noticed that the scripture said nothing about moving God.

There are times when we keep our minds closed to what God wants us to know simply because we want to defend a certain religious tradition or doctrine.

The above scripture says it very well that by doing things in faith we can please

God. There are so many things that please God but it is only when you do those things in faith that you can please God.

Uprightness and holiness pleases God but only when you use faith to obtain and walk in righteousness. Jesus said we should seek the Kingdom of God and His righteousness (not our righteousness). You can only have the righteousness of God in you if you have received it by faith.

What does it mean to please God? To please means to make someone happy or to satisfy someone. If you approach God in faith you make Him happy. God is happy when you receive anything from Him in faith.

God is pleased when you have faith because He knows that when you have faith you can access everything that He made available to you in Christ.

God is not happy when He sees His children suffering in life. He loves to see you in health, in prosperity, in peace and walking in righteousness. When you do not have faith you will fail to receive those things from God and God will not be

happy to see you suffering. When you have faith God is happy because He knows by your faith you can get anything He provided by the death, burial, resurrection and ascension of Christ.

Jesus was pleased when the woman with the issue of blood touched his garment and received her healing without needing to be prayed for. The woman had already received her healing just by touching the hem of Jesus' garment by faith, and because of that Jesus was pleased by her and drew everyone's attention on her.

### **Believe That He Is**

I want us to look more closely on Hebrews 11:6. It starts by saying without faith it is impossible to please Him. And it goes on to say that the one who comes to God must believe two things:

1. He is, and
2. He is a rewarder of those who diligently seek him

Those two things are different. The

thing you need to do to please God is to believe that He is. You may think that statement is incomplete. It is very complete as it is. You must believe that God is.

The word 'is' is in present tense. The past tense of that word is 'was' and the future tense of that word is 'shall be' or 'will be'.

In the beginning chapters of the book of Exodus when God called Moses, He told him that when the elders of Israel ask him about who had sent him he shall say to them, 'I AM' has sent me. Again that is in the present tense. God did not say, 'I shall be'; He said, 'I AM'.

Faith means believing the present tense of anything that you want from God. By faith you do not say, "I shall be healed." You say, "I am already healed. I have received my healing."

When you come to God thinking that He SHALL answer your prayer or He SHALL move with a miracle you will miss it. If you think your faith SHALL move God you will miss it.

When you come to God in faith you

must believe after your prayer that He HAS answered you, He HAS already healed you. He HAS already provided for you. He HAS already intervened in your situation. He HAS already provided a husband for you. He HAS already given you a child.

If you come to God believing that He IS you please Him. When I was confessing the word of God about me being healed and expecting to see God healing me I was missing it. I was believing that God SHALL heal me instead of believing that He HAS healed me and that I needed only to receive the Healing.

### **He IS A Rewarder Of Those Who Diligently Seek Him**

This is the part I used to have problems with. I had not read the bible well. In my mind I thought the writer was talking about faith that can move God to reward us on this last part. I thought that God would reward those who had faith and that is why I always tried to use my faith to

make God do something for me.

For me to give you a better picture of this part of Hebrews 11, let me switch you over to Mark 11 and shed more light on this part.

### **Believe That You Receive**

*Mark 11 : 24 (NKJV)*

*Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them.*

I love the structure and wording of this verse. It says when you pray believe that you receive and you shall have. There are two things that may sound as if they don't agree: the receiving part and the having part.

If you receive something it means you have it, but Jesus here is talking as if receiving and having are two different things that happen at different times. It seems in that scripture that the receiving part is in the present tense but the having part is in the future tense: 'and you shall have them'.

Is Jesus trying to say if I receive my miracle now it does not mean I have it? No. It means two things: it means you have it and you shall have it. The idea is the same with Hebrews 11:6 where you believe that God is (has done it in the present tense) and that He is a rewarder (the reward that comes in the future to those who seek Him.) Let me explain.

God is a Spirit and lives in the spiritual realm. Anything He says in the spiritual realm becomes physical and tangible in the physical world. The spiritual world is more real than this physical world even though we do not see it. If you are blind it doesn't mean the things that you do not see are not real.

We live both in the physical world and in the spiritual world because we have a spirit and a body. Anything that you have in your physical life was first of all given to you in the spiritual world. Mind you, even the devil lives in the spiritual world and can put some sicknesses on you in the spiritual world which will later manifest in your physical life.

All physical things began in the spiritual world. The spiritual world is more real than this physical world. It is that spiritual world that controls this natural tangible world.

Have you noticed that you can dream of someone dying and then later on that person dies? In your dreams you were in the spiritual world and death happened there. Because death had happened there it had no choice than to happen here in the physical also (unless someone spiritual stops it in the spiritual realm). Whatever is in the spiritual world is the real thing.

This is why you need to master the world of dreams. If you can fight in a dream and win you will also win in the physical. One day I had this dream in which someone was stealing my phone from my pocket. The thief reached his hand into my pocket and held my phone. Before he had fished it out I grabbed his hand.

This man's hand was stronger than mine and so my phone was slowly coming off my pocket as we wrestled with our

hands. In that dream I knew that I was in a dream and that if I wake up with this man having stolen my phone it means I would have been defeated both in the spiritual and natural. So I started striking his hand with my fist and pinching his hand (which was about to fish out my phone from my pocket).

The thief finally felt hurt and moved his hand out of my pocket, leaving my phone. However, he wanted to just relieve himself of the pain I had caused him and then reach out his hand to try his luck again. In that dream I knew his motives and before he had made another move I woke up.

When I woke up I knew I had won the battle with the thief. I had corrected something that the enemy was about to do to me in the spiritual world. If he had stolen something from me in that spiritual realm there would be nothing more I would do to win in the physical.

Sometimes when you have bad dreams where you lose something and then wake up, prayers may help but they may not be

enough to recover what you lost. The best thing to recover those blessings is for you to get back into the spiritual world of dreams and recover whatever you have lost. I mean sleep and dream again. Fight until you win. Use the power of imagination to dream again what you want.

My point here is that the spiritual world is more real than this natural world we live in. When you pray in faith, Jesus said you must believe that you have received whatever you are believing for.

The receiving of those things happen in the spiritual realm. You receive that job in the spirit. Faith receives things and when you believe that you receive keep convincing your mind that you have received. You do that by constantly confessing with your mouth what God has given you or what the word of God says concerning what you are believing for.

When I prayed and received healing, I wasn't feeling healed but my faith knew that I had been healed. I believed strongly in the spiritual world and I knew that

whatever is in the spirit is what is real. At that moment my sickness was fake. I began to say that I am healed and sickness is no longer a part of me.

I was saying it from a genuine heart, my mind was convinced that my sickness was all fake and that my healing which I believed I had received in the spirit was what was real. God lives in the spiritual world. If you want to please Him talk to Him as if you are in the same world with Him. If He says you are healed, then that's it; you are healed. Think like that and talk like that.

Now the having part Jesus talked about is when that thing you believed you had received is now manifesting in your physical life. This is why the having part has been placed in the future tense. God lives in the present tense, but we, on this earth, live in a world that has past, present and future. However, the spiritual world is the real world. It is the present tense world.

When you come to God, you must believe that **He is** (you believe the present tense that you have whatever you want

from Him now) and then you must believe that He is a rewarder (this is now the physical manifestation of what you had received in the spiritual).

So first of all, you receive the answer in the spirit by faith and secondly you shall see the physical manifestation of it later on. The time between you receiving the answer (the real answer in the spirit) and you having to see it physically in your life is what we call patience.

Patience is when you are waiting to physically see something that you know you have already received spiritually. Faith and patience go hand in hand because of the two worlds we live in. Faith has more to do with receiving things from the spiritual world. Patience has more to do with you waiting to see what you have received manifesting in the natural or physical world.

If your answer has not yet manifested in the natural, it does not mean you don't have it. Having it in the spirit is having it for real. The devil and all demons will know that you have received it because

they can see you with it in the spirit.

But since the devil knows that you do not have spiritual eyes that can see in the spirit, he normally comes with his lies and false statements telling you that you still don't have the answer; so that you lose your faith. This is the part where you should keep and maintain your faith confession, otherwise you can lose what you had already received.

Maintaining your faith confession is defending yourself from the lies of the devil. The time you take defending your answer in faith before it manifests physically is what is called patience.

*which you will be able to quench all the*  
*fiery darts of the wicked one.*

## Chapter 5

### *Abundance of Grace*

---

*Romans 5 : 17 (NKJV)*

*For if by the one man's offense death reigned through the one, much more those who receive abundance of grace and of the gift of righteousness will reign in life through the One, Jesus Christ.)*

One key that is missing in people who have non-working faith is knowledge of where they should direct their faith. You just need to shift your focus from a faith that moves God to a faith that receives what God has provided.

All the things that we want from God are given to us through His grace. There is grace for business, for finances, for healing, for wisdom, for direction, for marriage and for so many things in life. The more grace you receive the better you become in life.

God has provided for all of our needs

by His grace. It now depends on how much you shall collect from His grace banks. It is your faith and the level of your faith that determines the amount of grace you can collect.

Paul said those who receive abundance of grace are the ones who shall reign in life. Have you ever seen preachers who perform miracles like as if you are watching a movie? They have received abundance of grace for miracles. I have seen my own spiritual father, Bishop Chako, performing miracles that left me asking, "Is this a human being or an angel?"

The key to receive abundance of grace is in your faith level and your knowledge about God's grace. The more you know the grace of God the more you know what has been made available to you in Christ. Knowledge of the word of God increases faith and thereby increasing your chances of receiving abundance of grace. Our faith produces different results in one person's life and in another simply because of the different levels of the knowledge of the grace of God that each person has.

## **The Grace of Righteousness**

*2 Corinthians 5 : 21 (NKJV)*

*For He made Him who knew no sin to be sin for us, that we might become the righteousness of God in Him.*

You may not want to accept it but there are Christians who do not struggle with sin at all. They have ceased their struggle with sin the moment they understood the grace of righteousness and collected abundance of grace in that area.

Righteousness is a gift that God gave to everyone in Christ. The moment you received Jesus as your Saviour you were blessed with the righteousness of Christ in your spirit. When God sees you He sees a righteous person like Jesus. Remember, the spiritual is more real than the natural.

Just because you do not see the spiritual does not mean it is not real. The spiritual is more real because it is ever new, whereas this natural world gets corrupted with time. In this physical (earthly) realm

people get old and die; trees die, buildings and cars depreciate in value and gets worn out with time. Whatever is build and made by man has a lifespan in this physical world.

The spiritual is ever new. The bible says if anyone is in Christ he is a new creation. Since we have come to Christ our spirits were made new and until today we are still as new and righteous as when we were born again. Our spiritual world is the real world.

What differentiates fake gold from real gold? Fake gold gets worn out with time whereas real gold does not. There are jewelleries that are sold as gold which are not gold at all. If you buy such a watch you will notice the gold colour vanishing away with time and a copper material or any other metal beginning to show up. That's fake gold.

Nothing on this earth stays new forever because this world is the fake version of our real spiritual world. If you believe that you have been made righteous in Christ you get to see yourself as such.

You will always tell yourself that you are the righteousness of God in Christ. The more you believe in who you are, the real you, the less sin becomes a problem to you. You begin to find yourself living right.

If you use faith to access and receive the grace of righteousness it becomes very possible to live without sinning. The more grace of righteousness you have the less you sin.

Those who receive abundance of this grace they reign over sin.

## **The Grace of Spiritual Blessings**

*Ephesians 1 : 3 (NKJV)*

*Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ,*

What does it mean to be blessed? It means a lot of good things: favour, peace, riches, health, honour, wellbeing, success and so many good things. The bible says we have been blessed with all spiritual blessings.

Receive this grace by faith. Begin to see yourself blessed. When you do, you will start talking favour always. You will always talk about succeeding in whatever you do. You will not talk fear. You will see yourself blessed.

You will never talk lack or weakness. You will talk strength because you will know that you have been blessed. The more you increase your faith in this area the more you see abundance of this type of grace.

## **The Grace of Power and Divine Energy**

*Colossians 1 : 29 (NKJV)*

*To this end I also labor, striving according to His working which works in me mightily.*

Paul understood that the dynamic power of God was in him because of the Holy Spirit who dwells in us. He understood the spiritual gifts that God had given him.

Because of his understanding of this

grace of the power of the Holy Ghost in us he laboured so much. He worked for God like nobody else. He knew he could do all things through Christ who strengthens him.

Sometimes you have to work out your faith when you know you have the divine energy to do what you need to do.

In Bible College I used to clean toilets, the chapel, the passage, the chairs, windows and sometimes the offices of our admin. It was the duty of all students to do some manual work before lessons. Our duty as students was to clean the chapel mainly, and sometimes, the toilets.

Our teachers used to say that if you do this work you will receive grace. So most of my classmates would laugh at that and say that they were already anointed and they can't be manipulated to believe that anointing comes by cleaning chairs and windows.

Because I loved whatever we were learning at Bible College I did not find it funny to clean the chapel or toilets. Our teachers were all anointed ministers of the

gospel and they had so many spiritual gifts and grace that I did not have. The spiritual gifts and anointing that was imparted to me since day one was very notable in my life, and so I wanted to return the favour by obeying their instructions.

Because my classmates refused to do the humble work, I was left alone to do it. I would be the first student to arrive at the school in the morning and do all the work that nobody wanted to do.

It was not easy work at all since I needed to do it all alone. It would have been easier if my classmates would also come early to do it.

However, for the three years that I was at the College I did all the work by myself except for a few weeks in which a friend of mine joined me.

Some of our teachers did not know that it was one student doing all that because they would arrive when all work was complete. What kept me fuelled up and going for three years without complaining was the grace of divine power and energy that works within us.

The more I worked, the more I felt the anointing rising within me and enabling me to do all the work with unusual energy.

Each morning I would feel a certain power within me helping me do all the work before lessons began. If you have faith you can take advantage of this grace in all the work that you do even at your workplace. You can become the most productive worker at your workplace just by taking advantage of this grace.

Even in manifesting the gifts of the Holy Spirit and the power of God, you need to take advantage of the grace of power. Peter told the crippled beggar at the gate beautiful that even though he had no silver and gold, he had something within him that could make the man walk. He had received abundance of grace in the area of the miracle working power of God.

### **The Grace of Giving**

*2 Corinthians 8:1-3 (ESV)*

*We want you to know, brothers, about the **grace of God** that has been given among the churches of Macedonia, for in*

*a severe test of affliction, their abundance of joy and their extreme poverty have overflowed in a **wealth of generosity** on their part. For they gave according to their means, as I can testify, and beyond their means, of their own accord,*

Giving our monies to church takes a lot of grace. If there is one thing many people do not like to hear being preached about is giving. In many churches giving of monies is not something everyone can easily accept. It takes the highest level of faith to give money to the work of ministry.

Giving is a grace because it moves your faith so much. The more you give, the more faith you will have in God. It is God's way of helping your faith to rise. You may have been asking for something that requires a higher level of faith to receive and the quickest way for your faith to reach that level is when you give something that touches your heart.

I have seen this in life so many times. There are times when I feel like my faith is struggling to receive what I want to receive

from God. If that happens for some time then I know that I need to give in order to release my faith. As soon as I give I feel lighter and my faith becomes flexible to receive what I want.

Giving tithes and offerings consistently can help to keep your faith up. Sometimes God gives you opportunities to stretch your faith even higher by giving you another opportunity to give to the work of God.

Giving is always painful. Do you think that it did not pain God to give up His Son to die? It was painful to God to see His Son suffer like that. However, there is grace for giving that can make you give something that you will never imagine giving. Abraham gave Isaac, his only son whom he had struggled so much to have. It was grace that made him do that.

The grace of giving contains a blessing in it. The blessing that you receive when you give is already within you even before you give. But for that grace to come into this physical world it takes giving (because giving encourages faith).

The church of Macedonia gave even beyond their means. The scripture there says they were in extreme poverty. In other words, their blessings were more in the spiritual world than in the physical world. There are a lot of Christians who are at this level in their lives.

They needed to do something to release those blessings outside of their spirits into the physical world. It takes a lot of faith to give when you are poor because most of the time the money that you have is all that you have to survive on.

Giving can break demonic strongholds over your life. There is grace for financial breakthrough within all of us but that grace remains inactive unless we release it by giving.

We do not give in order to move God into doing something; we give in order to move the grace that has already been given us in the spiritual to come out into our physical life. If you can check, Paul said that giving was actually a work of grace at that church.

Have you ever seen people who are

given a prophecy by a prophet of God like, "I am seeing you owning your own car next year by this time," and as soon as they hear that they run with their seed and place at the altar? What are they doing? Are they sowing seed in order to make God give them a car? No.

They know that the car is already there in the spiritual because the prophet saw it; and that it is only a matter of time until the car manifest in the physical. So they sow a seed in faith to release that car out of the spiritual world; in order to see it in the physical next year.

### **The Grace Of Christ like Character**

*Colossians 3 : 12 & 14 (NKJV)*

*Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; .....  
But above all these things put on love, which is the bond of perfection.*

If you can see, Paul did not tell us to ask God to give us those virtues mentioned there. The bible tells us that the righteous

shall live by faith and that means true righteousness comes by and is maintained by faith.

You therefore need faith to receive the good characteristics of a Christian mentioned above. Paul said, "Put on" mercies, kindness, humility, etc. We use faith to receive (or to put on) all those things. God has already given us those virtues within our spirits when we were born again.

The grace of God meant that Christ came to live in us and rubbed himself onto our spirits. All the character of Christ is now in us. We do not have to struggle in the area of patience, forgiveness, humility or any other. If you see that you lack in any of those areas, then 'put on' the character of Christ. There is abundance of grace in that area. Receive it.

Remember the scripture in Romans 10 that we read in the previous chapter. It says the word of faith is in your heart and in your mouth. You have to believe in your heart that the righteousness and character of Christ has been deposited into your

spirit by grace.

Then you have to keep confessing with your mouth that you are full of humility, love, kindness, mercy, long-suffering, etc. Say it every day. Say it at any time of the day. Say it when you have made a mistake or when you have fallen into sin. Tell yourself, "The righteousness of God is in me. I am patient in the name of Jesus. I am full of love. I am forgiving in the name of Jesus."

When you do that you are receiving abundance of grace in that area and putting on the virtues of a Christian.

## **The Grace of Peace**

*Colossians 3 : 15 (NKJV)*

*And let the peace of God rule in your hearts, to which also you were called in one body; and be thankful.*

There are so many graces I did not talk about in this book but the more you walk

with the Lord and study the bible you will open yourself to more and more of the grace of God.

The scripture said we should let the peace of God rule in our hearts. Having fear, anxiety about a certain situation is a choice that you make. God has given you peace but sometimes you do not allow His peace to rule in your life. God said we should not worry about tomorrow. If you find yourself worrying, then you are the one who should allow the peace of God to rule in your heart.

Peace is something you need to receive by faith. God has sent it already. Allow it to rule in your heart. When you have peace, miracles happen. I cannot tell you how many miracles God has done in my life when I just allowed His peace to take charge of my heart.

In this life we pass through different situations and some may threaten us and those around us. It may be difficult to focus when you are faced with threatening situations but you can choose to allow peace and let the word of faith in your

mouth help you to receive abundance of grace in this area.

Keep saying, "I believe God is in control. God has made a way for me, and soon I shall come out. The peace of God is full in my heart. I refuse to let this situation rob me of my Joy in the Lord." Use faith to receive abundance of grace in this area.

## Chapter 6

### *He Gave Gifts Unto Men*

---

*Ephesians 4:8;11-12 (KJV)*

*Wherefore he saith, when he ascended up on high, he led captivity captive, and gave gifts unto men.....And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers. For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ.*

This is one of the most important subjects every believer must know. I chose to quote the above scripture from the King James Version not the New King James Version that I have been referencing all along. The New King James Version translators did us a lot of injustice by adding two words which changed the entire meaning of that scripture.

In the original King James Version

which I quote above, verse 11 says, "And he gave some, Apostles....." That translation is the correct translation of that scripture. However, the translators of the New King James added the phrase, "to be" between the words "some" and "Apostles". The verse began to sound like this, "He gave some to be Apostles" as if Jesus was giving someone the gift of being an Apostle. That was not the correct translation of that verse.

The original King James Version, as I have quoted, says, "He gave some, Apostles, Prophets...." That then means that Jesus gave some people an Apostle as a gift to them. That is the correct translation of the scripture.

If you can check on verse 8, the scripture begins by saying that when Jesus ascended on high he led captivity captive and after that he gave gifts unto men. That means the people of this earth were given gifts. Everyone was given a gift by Jesus. Then those people who were given gifts were divided into five groups and each group was given a certain gift.

One group of people was given a gift called an Apostle; another group was given a Prophet to be their gift from Christ. The third was given an Evangelist; the fourth group a Pastor; and the fifth group was given a teacher as a gift that came to them from Christ.

Do you go to church? Your Pastor is a gift to your church. The Pastor does not have a gift of pastoring, but rather, he himself is the gift of given to his church as a Pastor. Do you get it?

Some churches were given an Apostle. If you are part of a church in which your leader is an Apostle then that man or woman is the gift that was given to your church. Some churches were given a prophet, while some were given a teacher.

Then there are other churches that are given two gifts in one person. For example, you may have an Apostle who is also a teacher at the same time.

## **Why Were These Gifts Given?**

Verse 12 then says, "For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ. "

These men and women of God, who are also gifts given to the church, were given so that the Christians may be perfected and be prepared to do the work of ministry. If the bible says the saints need to be perfected it means without those gifts (the preachers of the gospel) the church is not complete or perfect (especially in spiritual maturity).

There is so much grace that all saints lack which was given to these ministers so that they can give to the church. If you want something from God, I said you receive it by faith. You may pray in faith and receive abundance of grace in any area that you want.

However, there is some grace that was not put on the inside of you. Such grace was placed in a man or woman of God.

When you want that grace you need to turn your faith towards that man or woman of God.

Sometimes you may pray for a car and use your faith to receive it; then you begin to find out that the car is not coming into the physical at all. Sometimes that car may be in a man of God and you may just need to believe in him to get it.

There is a scripture in the book of 2 Chronicles that says you should believe in the prophets in order for you to prosper. Most of the prosperity we want has been put in a prophet and then God sent that prophet or preacher to the church as a gift.

A gift is something that needs to be opened in order for us to enjoy what is inside. Preachers cannot be gifts if they do not have something we need inside of them. Inside of your Pastor, Prophet, Apostle, Teacher or Evangelist, there is great prosperity - cars, houses, marriages, money, destinies, businesses, properties, breakthroughs, and so many things.

We no longer need to beg God by our faith to have Him move into our lives with

our prosperity. The bible says we should just turn our faith towards a prophet and we shall prosper. Believe His prophets. If they lay their hand on you, you will receive abundance of grace if you have the faith.

Yes, I know some preachers may mislead us intentionally or unintentionally but here I am just generalising their work in our lives. They carry some grace in them that we need.

### **Do You Believe That The Man of God Has What You Need?**

*Ephesians 3 : 2 (NKJV)*

*if indeed you have heard of the  
dispensation of the grace of God which  
was given to me for you,*

Did you see that? There is a certain dispensation of grace or a divinely ordained order of grace that was given to Paul so that the same grace could be given to his church.

I wish if that church knew the amount

of grace and answers to their prayers which Paul carried.

Men and women of God carry certain graces and blessings that you do not have. It is very biblical to sow our seeds in their lives. Supporting them as they do the work of ministry is a recipe for accessing abundance of the grace they carry.

What you need is great faith in that man of God. The devil fights your faith so much in this area because he knows what you will get from them.

When someone comes to me for prayer, sometimes I know in my heart if the person really has faith or if he is just testing to see if I am really anointed. Yes there are people who do that. They give you prayer requests with a double mind and thinking, "Let me try this man of God, maybe he can heal me. I do not know but let me just try."

If you are like that it would be difficult to see the anointing work in your life. The woman with the issue of blood used her whole faith to draw power even when Jesus had not released power on her. She was really desperate for a miracle. When it

comes to men and women of God, it is your faith that matters most than the man of God's faith.

Jesus had times where He told people that it was their faith that had saved them. On some people He had to say, "Let it be according to your faith." He knew that when someone comes to a man of God, their miracles depend mostly on their own faith rather than the faith of the man of God. This is because the grace of God in a man or woman of God was already given as a gift to the church and we only need faith to receive.

### **"I Am Full Of The Anointing"**

I do not forget this day when I preached a message titled, "I am full of the anointing." I preached it with so much passion and pain in my heart. We had gone to a certain place where nobody knew about me. It was so difficult gathering people for church services in that place. They just could not respond to the gospel.

What pained me was the problems they had which I knew the grace in me

could solve; sicknesses which I knew the grace in me could heal. But the challenge I had was with them believing that I had their answers in me. One day Jesus had so much trouble performing miracles in Judea where he grew up. In his whole ministry, Jesus performed very few miracles in his own country because people just could not believe him with full faith.

If you come to a man of God wanting prayer your faith in that man of God matters most. You have to believe in that man of God's ability and anointing because that is where God placed the grace you need.

It is difficult for people to believe in a man of God until they see him perform a miracle. But it is difficult for the man of God to perform a miracle if people who need miracles do not believe.

Normally God puts some people in our way who have strong faith even if they have not seen us performing miracles. Some of these people would be people who are so desperate for a touch from God. It becomes easy to demonstrate our

anointing through those people just so that the rest of the people can now believe.

Let's say a preacher wants to release the anointing through impartation on people, a wise preacher will need to first look around the congregation for someone who has high faith and then lay his or her hand on that person. Normally that person falls under the anointing and as soon as that happen many people's faith goes up and the anointing is released on everyone.

However, I am not saying you should wait to see the preacher perform a sign or a wonder for you to believe. You just have to keep your faith high in a man of God. It does you a lot of good.

*Matthew 9 : 28 (NKJV)*

*And when He had come into the house, the blind men came to Him. And Jesus said to them, "Do you believe that I am able to do this?" They said to Him, "Yes, Lord." Then He touched their eyes, saying, "According to your faith let it be to you."*

Jesus wanted those blind men to turn their faith in his ability to heal. When you are dealing with a man or woman of God your faith must be in him or her. That is, in the fact that he has been anointed by God. I am not saying you must worship preachers. I am just telling you that you need to accept and submit to the fact that that preacher has been anointed by God with the grace and gift that can provide you with a miracle.

That kind of acceptance and submission is what I am referring to as belief in the man of God. We do not worship preachers. We just receive from God through them. Preachers are just vessels through which God reaches to us.

This is the same as what Peter said to the man at the beautiful gate. He told the man to look on them, to fix his eyes on the Apostles because that is from where his miracle would come.

*Acts 3 : 4-6*

*And fixing his eyes on him, with John, Peter said, "Look at us." So he gave*

*them his attention, expecting to receive something from them. Then Peter said, "Silver and gold I do not have, but what I do have I give you: In the name of Jesus Christ of Nazareth, rise up and walk."*

## *Conclusion*

I trust very well that you have grasped something about faith and grace in this book. Whatever you need from God has been given to you already. Some of the things you want from God have been deposited into your spirit and you just need to enforce them into your physical life by speaking words of faith.

Some of the things are all available to everyone who is born again. You just have to pray prayers of faith and receive them. Jesus said that if we ask we receive. There is grace for asking and for you to tap into this grace you just need to make a simple request to God for something out of the things that have been made available to us in Christ.

The inheritance is already yours and all you need to do is to indicate to God that you now want this and that specific thing immediately is made available to you. For you to now have that thing in your life you need faith. Faith receives those things that you want to come to you.

Then there are other blessings which you do not just receive in prayer before God because they may have been deposited in the man of God that God has placed in your life. Such things are received by faith in the man or woman of God. By supporting him or her in ministry, believing in him when he lays his or her hand, believing the word that he or she preaches and sowing seeds into his life, you will receive such blessings God gave you through His servant.

Whenever you pray know that it is not your faith that shall make God give you things. Things that you want are made available to you by grace. The more of the grace of God that you know, the more grace you shall receive by faith.

I believe that from now on abundance of grace shall be your portion.
