## *Chapter 1*

### *Jesus Did Not Die for Christians*

---

I have been teaching about who we are in Christ for some time now and feel that many people are taking long to fully grasp this teaching. They are still stuck with religion and with the wrong doctrine they have learned for many years.

When I released my book, "Faith Doesn't Move God", I had some preachers oppose me. Why? Because they do not know faith at all. Faith is a receiver and that is what is taught about it in the bible.

You know what? It is not our lack of knowledge of faith which is the problem. It is our lack of understanding of the New Testament which is the problem. The letters of Paul on grace and on the death and resurrection of Christ have not been understood yet. How many Pastors can actually teach verse by verse the book of Romans? Most Pastors do not even understand the book of Romans because they simply have not yet understood why

Christ died and resurrected. I am talking about a perfect understanding here. I know what I am talking about because I have been with many of them in Bible School.

If you will understand the grace of God through Christ in his death and resurrection, you will definitely have true faith without even needing to be taught a thing about faith.

You do not really need any teaching on faith. Faith is just a product that comes after you understand the grace of God through Christ.

Now, if I see someone having problems with me saying that faith doesn't move God I know that the person doesn't know and understand the grace of God through Christ. Faith happens naturally the moment grace is understood. Check the following scripture.

*Colossians 1:4*

*Since we heard of your faith in Christ Jesus, and of the love which ye have to all the saints, For the hope which is laid up for you in heaven, whereof ye heard before in the word of the truth of the gospel; Which is come unto you, as it is in all the world; and bringeth forth fruit, as it doth also in you,*

*since the day ye heard of it, and knew the grace of God in truth:*

If you look carefully, the Colossians were never taught faith by Paul. They were taught the full gospel of the grace of God in truth. Paul said that since the day they knew or understood the grace of God, their faith began to produce so much fruit. The moment you understand grace; your faith naturally begins to work. Now what is the gospel of the grace of God through Christ. It is the teaching that Christ died for us, was buried for us, he resurrected for us and has ascended to the right hand of God's throne for us. All these were done for us while we were resting and God then transfers all the benefits of Christ's acts to us. That is grace.

Now, what I have just said is not the end in itself, it is the beginning of our knowledge of grace. We now need to explain in detail the full gospel of grace.

*Christ died for the world only not for Christians.*

I have given this chapter the title, 'Christ did not die for Christians', because I know that many people

think that. You see, having just knowing that Christ died for us does not mean you fully understand how to take advantage of that grace.

When Christ died, he was dying for the whole world. John 3:16 says that God so loved the world that he gave us His Son. Jesus died for the sins of the whole world. This simply means that when Jesus died, the whole world died to their sins because Christ was dying in their place. The whole world had sinned and God had said that whoever sins must die. Death is the punishment for sin. The whole world deserved to die. They deserved to go to hell. But Christ came and said to God, "I want to die in their place so that they will no longer need to die for their sins." Jesus was willing to bear the punishment for our sins.

Imagine you have committed a certain crime and the judge says that you should pay a huge fine and, if not, you will be put in prison. Now you know that if you want to escape prison you have to pay the fine. What do you do when you do not afford to pay the fine? You then surrender and opt to go to jail because you do not have the fine.

Now, let's say a friend shows up and tells you that he has the huge sum of money required and is

willing to pay the fine for you and you will not even need to pay it back to him. He is just helping you. It would be a foolish thing and pride for you to refuse him and opt to go to jail.

Now, even after you deny his help your friend goes on and pays the money and then the courts tell you that you are now free. Then you, in your pride, you tell the courts that you don't need him to pay on your behalf and you plead with the court to give him back his money because you want to bear punishment for your offences and go to prison.

That is a weird scenario but do you know that that is exactly what the world is doing?

*Romans 6:23*

*For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.*

Now the bible says that everyone who has sin should die and go to hell. Death there refers to hell. But Jesus came and freely offered his blood which he shed on the cross in order to pay for your sins. Jesus paid a huge fine for you freely. He did it out of love. He died for you so that you will not go to hell for your sins.

The problem the world has is that they are like that guy who refuses his friend to pay the fine for him to be free. What the world need to do is to accept the fine that Christ paid for them. Christ actually paid the fine already but some people in the world are not humble enough to just let the blood of Christ free them. They refuse to accept his payment by not coming to him and surrender their lives to him.

Surrendering your life to Christ means you are accepting his payment on your behalf.

***The whole world's sins were paid for.***

I said that Jesus did not die for the Christians because by the time Christ died there was not yet any Christian on earth. A Christian is someone who has Jesus Christ living inside of him or her. By the time Jesus died, the whole world was still in sin and Jesus was not yet living in anyone of them.

So when Christ died for sins, He was not dying for any Christian at all. Christians only were then born by Christ's resurrection not His death.

When Jesus died, it was for all the sinners of the world. But when He resurrected it was for the birth of the Christians. This simple truth must forever stay

with you. This is the elementary teachings of Christianity. This is the first thing you must know. It is the grade 1 of Christianity, the ' $1 + 1 = 2$ ' of Christianity.

If you didn't know this, then we have a huge problem with you. Your faith is in trouble, your prayer is in trouble, your giving is in trouble, your fasting is in trouble. This is where all the problems of you not seeing your faith work or not seeing God answering your prayers begin. You skipped grade 1 mathematics and you think you can pass grade 5's long division.

If you didn't know this, then I want you to rub everything else you knew about Christianity so far and start afresh.

Some Pastors do not even know these things and they are the ones teaching believers the word of God. It's a pity, their followers are in trouble. Many of them are angry at God for not responding to their faith and prayer, but little do they know that you can't solve grade 5's long division if your do not even know how to solve grade 1's ' $1+1=2$ '

***The Whole World is Free from sin now***

In God's eyes everyone in the world died with Christ. Their sins were blotted out. Every sinner in the world has been forgiven their sins by God.

But what they need to see salvation working in their lives is to only humbly accept Jesus by faith and instantly they will escape hell. God has His hands stretched towards the whole world with forgiveness, salvation and a smile on His face towards all sinners. God is saying, "I have forgiven you my people, Jesus paid for your fine. Can you come and sign these papers and you will be freed from the prison of hell fire?"

Some people in the world look at God and say, "Um, we are sorry, we cannot come and sign those papers. We are afraid. We have sinned so much."

Coming to Jesus in repentance and receiving Him by faith without fear is the only thing that is standing between the world and hell.

Preachers preach saying that the world has not yet been forgiven and they will only be forgiven when they are born again. That may sound true but it is not true. The world has been forgiven but they only need to accept the forgiveness from God's

hands. forgiveness has been sent to the whole world. It needs people who can simply **receive it**.

Forgiveness is not really for Christians. For Christians what belongs to them is justification. I know I have just opened a different issue altogether but we are still in grade 1.

Okay, that is the subject for the next chapter

## Chapter 2

### *From Forgiveness to Justification*

---

*Romans 4:25*

*Who was delivered for our offences, and was raised again for our justification.*

Here, Paul is letting us know the twofold work of Christ's death and resurrection. I said in the previous chapter that the death of Christ was for all sinners in the world because he was actually dying for that purpose only — to deal with sin.

Once Christ was done dealing with sin, he needed to resurrect with new life that has no sin in it.

The bible tells us that when Christ died, he died with the sins of the whole world. In other words, Christ took every kind of sin on himself. He became too filthy with sin to the extent that he became sin itself. When God looked at him, he was so disgusted with the sins that were on Christ to the extent that God had to turn his back on Christ. This is why

Christ had to cry out and say, "My God why have you forsaken me." Jesus never knew that God could forsake him. He was full of sin. His life was now sin itself, heavy with every kind of sin that you know of.

Remember, the death of Christ is what we all needed before we came to Christ. The death of Christ is all that makes sense to the sinners in the world. But to us who are now in Christ, it is only the resurrection of Christ that should matter to us. Why? I will explain.

### *The Resurrection, A New Life*

*Romans 1:4*

*And declared to be the Son of God with power,  
according to the spirit of holiness, by the  
resurrection from the dead:*

Now, I want you to see something there. Paul said that Jesus was declared to be the Son of God by the resurrection from the dead. Was he not the Son of God before the resurrection? Yes, He was, but He then got sin on himself and died as sin itself and God forsook Him. When He then resurrected from the dead, He came with a new life that did not have sin

and God declared Him the Son of God again. In other words, He was born again. I know I have confused you there. All that Jesus did, He was doing it for us so that it can work for us. He died for the sins of the world so that God would declare that the world has paid their debt with Him.

He was then born again by resurrection from the dead so that those who accept Him would also be born again. So, yes Jesus was born again by the resurrection with a new life that has no trace of sin at all.

Christ's death was for the purpose of forgiving our sins. His resurrection was for the purpose of giving us new life that has no sin at all. A Christian was born by the resurrection.

Let me repeat it. *The death of Christ was meant to forgive sins. The resurrection was meant to give birth to a new type of people who have no sin at all.*

*1 Peter 1:3*

*Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead,*

Did you see it now? Peter says the same thing as Paul. Peter says that God has begotten us (given birth to us) by the resurrection of Christ from the dead.

A Christian is a product of the resurrection not of the death of Christ. Now let me go back to the main topic of this chapter. I am trying to show you the difference between forgiveness and justification.

Forgiveness is a product of the death of Christ for the sinners in the world. Justification is a product of the resurrection for the born again Christians only. Remember the opening verse of this chapter. Let it stick with you.

### What is Justification

I might go on and on without defining what Justification means. To be justified means to be declared not guilty. Let us go back to the first example I gave of someone who is required to pay a huge fine.

That person has been found guilty of an offense and is required to pay a fine for it and someone pays for him then the courts frees him. Christ died for our sins and thus paying for our offenses against God.

By Christ's death our sins are forgiven, they are washed by his blood.

God looks at you and actually finds sin and then He says, "But I have forgiven your sins because Christ died for you." Forgiveness acknowledges that truly there is sin that needs to be washed by the blood of Christ. *The person who is forgiven is a person who has been found guilty* and then the blood of Christ washes those sins. This is the condition of the people in the world. They are all guilty of sin, but God is calling to them to forgive them because of Christ's death.

Now justification does not mean that you are guilty and then you were washed. No! Justification means that *God has examined you thoroughly and then he finds no trace of sin in you.* Justification means God has looked at your life and has not found any form of sin. *It means you have never committed any single sin in your life* and in you there is no sin to forgive. You are not guilty at all and you do not need any forgiveness because there is no sin to forgive. When you are justified it means you are declared not guilty. You are declared that you have never committed any single sin in your life.

Now, in our opening scripture Paul says that Jesus was raised for our justification. Do you know what that means? It means when Christ resurrected he came with a brand new life that has no sin in it. He was born again by the resurrection. His new life began at the resurrection and this new life He came with has never sinned even a single day and will never sin. It is a life that will keep on winning over sin.

This new life is the life you get when you receive Jesus as your savior. Your old life of sin dies in you and then you are given a brand new life of Christ. You become born again in your spirit. Your spirit becomes a child of God and when God looks at your spirit He finds no trace of sin at all and the he declares you not guilty. That is what is meant by being justified.

Christians were not forgiven. They are justified. Forgiveness is for the sinner in the world who has sin.

Let me end this chapter by giving you a summary of it because I know many preachers have never presented the gospel like this because some of them do not even know it. It is so painful because these are the basics of Christianity. This is the milk

of the word. This is the  $1+1=2$  of Christianity. If you didn't know this, then you have started learning grade 1 of Christianity. You are still a babe and there is a long way to go. You need to keep getting more of my books so that you can grow.

### Summary

- Forgiveness of sins is what a sinner needs because he has sin. Christ's death meant that all the world's sins were taken by him and that forgiveness has now been made available to them.
- Justification is now different from forgiveness in that justification is when God declares you not guilty at all.
- Justification happens to every born again Christian. The moment you get born again, you become a brand new person who never existed before. God examines you and finds no sin in you. Therefore, you are declared not guilty. That is justification. The sinners in the world need FORGIVENESS of sins because they have sin.

- But the born again in Christ are JUSTIFIED before God because they have a new life without sin in it

## Chapter 3

### *Christ Is NOT Preparing Any Mansions in Heaven Now.*

---

*John 14:2-3*

*In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.*

I used to believe that Jesus went to heaven and He is busy preparing mansions for us right now and that when He is done He will come and take us. I was wrong. I am happy that I didn't believe that for a long time because of daily fellowship with God. The Spirit had to reveal to me what that scripture mean. In volume 1 of this book, I only scratched this verse. I didn't even explain it deeper than what I want to do now.

Some preachers still believe that in Heaven Christ is busy building mansions for us. Some will

even say, "In heaven my mansion is being built. There are angels in construction work now." That is funny. God finished with the work of creation in Genesis. And the only recent creation he created after Genesis is us, the new creation in Christ. We are God's most recent creation.

*2 Corinthians 5:17*

*Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.*

**We Are Already Living in Mansions Now.**

What did Jesus meant when He said, "I go to prepare a place for you?" He was talking about a place in Him. When He said, "In my Father's house there are many mansions," which Father's house was He referring to? He was talking about the inside of Himself.

Haven't you read the gospel of John where Jesus kept on saying, "My Father who is in me."? His Father dwelt in Him. Jesus was the only man on

earth in whom God lived fully. God resided fully in Christ.

So when He said, "In my Father's house are many mansions," He meant that on the inside of Him there is so much space for all of you to live.

I know, religion has made it difficult for you to accept this simple truth.

*I Will Come And Receive You Unto  
Myself*

*John 14:3*

*And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.*

Many people think that Jesus was saying that after he is done building houses for us in heaven then He will come again at the Second Coming and take us to heaven. That may make sense but if you study the bible carefully you will not see any sense out of that.

But let us just analyze Jesus' words here.

Jesus said, "I will come and receive you to myself." Did He say, "I will come and take you to heaven."? No! He did not say that.

Jesus was not talking about building mansions in heaven or coming to take us to heaven. He was talking about coming to take us to Himself and that tells you where the mansions are located. They are located in Him.

About Christ coming to take us to heaven when do you think that will be? Some say, "At the rapture." No! If you read 1 Thessalonians 4:17-19, you will find out that at the rapture Jesus does not descend here on earth. He simply appears and in the clouds and then the dead in Christ will rise to meet Him in the air. We who are alive will be caught up (raptured) into the air to meet Him there. At the rapture Christ does not come to the earth, it's us who will go to Him.

Others will say, "At His Second Coming He will come to take us to heaven."

That is not true either. The Second Coming happens 7 years after rapture. It means when He is coming to this earth, He is not coming alone. He is coming with us. He is not coming for us. We will be

coming with Him and begins to reign a thousand years here on earth.

The only time that Christ came to take us to Himself was when He sent the Holy Spirit on the Day of Pentecost (Acts 2:1-4). On that day, the disciples were both born again and filled with the Spirit. They could not be born again any other day before this because the Holy Spirit was not yet sent to us.

The Holy Spirit is the one who gets us born again. I said in the previous chapter that we were born again by the resurrection of Christ from the dead. Christ himself was born again when He resurrected. The question is, who raised Christ from the dead? The one who raised Christ from the dead is the one who made him born again the second time. Who was that? Look at the following scripture.

*Romans 8:11*

*But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you.*

You see, it is the Spirit of God who raised Jesus from the dead and this same Spirit can give life to your bodies just as He gave life to your spirit. The Spirit of God is the one who gave birth to all of us in Christ. You cannot be born again if the Holy Spirit is not present. So the disciples could only be born again on the day of Pentecost because that is when the Holy Spirit came.

Jesus once said the following about the Holy Spirit.

*John 14:17*

*Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you.*

After He said that the Holy Spirit shall be in His disciples, He then said the following.

*John 14:18*

*I will not leave you comfortless: I will come to you.*

Jesus had said that when He is gone he would send the Holy Spirit. But here He said that He would

come to His disciples after He is gone. How was He going to come back to them? It was through the Holy Spirit. The Holy Spirit is the one who is representing Jesus to us and in us. In fact, He is the one we will be referring to when we say, "Christ is in us." Jesus Christ himself cannot fit into you because He has a body of flesh and if He would enter you, you would instantly grow fat or big in your body because He also has a physical body which He ascended to heaven with. It is only the Holy Spirit who is Jesus in us.

***Jesus Came and Took Us Into Himself.***

After Jesus died, resurrected and ascended into heaven, He then came back on the Day of Pentecost in the form of the Holy Spirit and received us into Himself because by then He was done preparing our mansions in Himself. We live in Him now. We are living in our mansions in Him now. ***The Inside of Christ is His Father's house.*** Christ meant the inside of Him when He said, "In my Father's house." Christ is a place. We live in Him.

When Christ moves, we move in Him. When He reigns we reign in Him. Demons cannot touch us

because they can't get into Christ where we live. Satan cannot defeat you unless you just allow him to do so. Satan cannot have you. He is afraid of you because of where you reside.

If you can get a revelation of this, you can stop all the forces of darkness to mess around with your life and what belongs to you. You will cast them out in the name of Jesus.

## Chapter 4

### *When The Heir Is A Child*

---

*Galatians 4:1*

*Now I say, That the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all;*

An heir is a person who has a right of inheritance to his/her parents' wealth and possessions. Now, Paul says that this heir when he is still a child he is not different from a servant of his father because he doesn't know how to use his authority or to do anything with any of his rights. This heir may be prevented access to some of his father's wealth simply because he is still a child. He cannot sign documents and he cannot enjoy some of his father's wealth because he is not yet trained.

In Christ we are heirs of God. The bible actually says we are joint heirs with Christ. (Romans 8:17). Do you know what that means? Jesus came here on earth and became the Son of God. When He was here

on earth he lived and showed us how a son of God should live. Jesus knew exactly what belonged to him. He knew that sickness and disease are not allowed in His Father's Kingdom. Whenever he came across sickness, He would heal it if the sick person is willing to be healed and had faith. Jesus knew that demons are not allowed to rule and take charge of this earth. All authority on earth was given to the Son (or sons) of God. He had complete power over evil spirits. There are times when Jesus confessed that He could ask His Father to send legions of angels to assist Him. Jesus knew how to work with God's angels to His advantage. He knew that even nature ought to obey his voice.

Now that we are in Christ and have been made members of Christ, we are actually sons and daughters of God just as Christ was. We have the same authority of the Son of God because we are joint heirs with Him.

However, the bible has just told us that if the heir is a child he is not different from a servant. This explains why we see so many Christians struggling to change things with their faith. That is why many Christians are still bowing down to sickness and disease. When you have grown up in your

knowledge of Christ you cease to struggle with sickness. You know you have dominion over it. You can command it to come out of your body.

Some Pastors send me messages and say, "I don't know why God does not heal me when I pray for myself." The truth is that the Pastor is still a child. Yes, it is very possible to be a preacher and still be a spiritual child. Calling to ministry is something that you can just discover at any given time in your life. You can discover your calling even when you have just been born again today.

I fully discovered my calling just a year after I was born again. However, I had had hints from God about my calling even when I had gone one month in the Lord. I was still a child spiritually and yet I knew that I was going to be a preacher.

The first time I attempted to go to bible college I was 18 years of age, but God told me to wait. I could have just ignored God and go ahead and still God would still use me.

I was confused now because during those days I knew of people who were in bible college that time who knew less about God as I did. I could hear by their talk that these people are not as spiritual as I thought student Pastors should be. That is why I

thought that I was mature enough to enroll in a bible college. However, God would not allow me and I had to obey Him.

### *The Fight of Faith*

Have you ever heard Christians who say that we are in a war with the devil? They are still children and are not different from a servant. I hear so many Christians spending hours in prayer fighting the devil. They say, "Prayer prevents you from Satan's attacks and you can win over the devil through prayer." That sounds true, but those are lessons from babes in Christ.

You don't need to think that you must win over the devil because you are more than a conqueror. You have passed the level of just winning over the devil. The devil was long defeated on the cross and we have passed that stage already through the resurrection of Christ. Satan knows he can never win over a Christian. There is no more room for him winning. The only thing he can do is to prevent you from enjoying your victory here on earth. He knows you are in victory already but he wants you to not enjoy the victory. How does he do that? He fights

your faith and knowledge of God. He knows your faith is the only thing that makes you take advantage of your victory in Christ.

*1 John 5:4*

*For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith.*

The only fight the devil has with us is the fight to keep you away from faith. The devil knows that faith comes by hearing and understanding the word of God. So he tries by all means to prevent you from hearing the true gospel of Christ. He tries to send preachers who preach doubt into your mind just so that your faith goes down.

Imagine you need healing and you come across a preacher who will be preaching that healing passed away with the Apostles in the book of Acts and that it is God's will to give you sickness in order to humble you. The preacher may try to come up with some scripture verse from the bible like the story of Job. The moment you hear that then your faith for healing goes down and you begin to accept

sickness. Thus, Satan has managed to fight your faith and keep you in bondage.

If the devil can have your faith, then he knows he can keep you like a servant in your own Father's house. The only fight we have to fight as Christians is the fight to keep our faith strong and we use the word of God to fight.

When you hear a preacher preach doubt to you like the example I have given, just simply open your bible to 3 John 2 and begin to speak it. It says that I wish above all things that you may prosper and be in health. You look at Acts 10:38 and you see that Jesus went about doing good healing all who were oppressed of the devil and then you know that sickness does not come from God. It comes from the devil. You open your mouth and speak this word of God. You say, "If this preacher say that God puts sickness on us to humble us then it would mean that the God he is talking about is the devil because it is only devil who oppress us with sickness. I have no business keeping the devil's things inside my body. Sickness come out of me! You have no right to be in my body. Devil come out in the name of Jesus!"

When you meditate on the word of God faith rises and you can speak against anything that is not

of God to leave your house. You can command what belongs to you to come to you.

### *My Story*

When I wanted to receive the Holy Spirit with tongues following I had so much trouble with negative words I heard from the pulpit. I was 16 years when I first prayed to receive the Holy Spirit. I would hear some preachers say that tongues are not for everyone and they would quote scripture. I now know that the scriptures they quoted they didn't understand them. I went for a whole year battling with such messages that kept me away from speaking in tongues.

As I kept on studying the word my faith began to rise when I read Mark 16:17 which included tongues among the signs that follow those who believe in Christ. Acts chapter 2:4 encouraged me when it says, "They were ALL filled with the Holy Spirit and began to speak in tongues." The word "ALL" was my only reason for wanting to be part of the tongue talking believers. I began to say, "Tongues are for all believers because all believers

on Acts 2 received tongues and God is still the same yesterday, today and forever."

The devil kept fighting my faith with words I heard from other preachers whose faith had been defeated by Satan. However, I kept my confession of the word of God until I received the Holy Spirit and began to speak in tongues.

Before I was filled with the Spirit and speak in tongues I would feel the presence of God in me whenever I confessed the word of God and pray. Faith in the word of God would make me feel the presence of the Holy Spirit within me. The devil would say, "See you already have the Holy Spirit in you. Can't you feel his presence? Don't you sometimes have dreams that come to pass? Don't you sometimes see some visions? You just don't have tongues simply because God doesn't want to give you. Tongues are not for every believer."

The devil used those words because they were part of what some preachers he had defeated would preach. But I chose to stick to the truth of the word and I won.

I taught about this in chapter 2 of my book, "Spirit Without Measure," that there are two separate experiences of the Holy Spirit we go

through in Christ. The Holy Spirit comes into us in two stages as Christians. And these two stages have different dimensions of His coming into us.

At first, the moment you accept and receive Jesus as your savior and Lord, the Holy Spirit comes and gives birth to you by the power of the resurrection of Christ. (I have talked about this in previous chapters.)

The born again experience is something that is done by the Holy Spirit in us. He comes and gives birth to us in Christ. He then begins to live in us as the Spirit of Christ and not as the Holy Spirit. He also comes to live in us as the Spirit of the Father. In other words, when you are born again, Jesus Christ and the Father will come to live in you through the Holy Spirit. At that time the Holy Spirit is only coming to represent the Father and the Son in you.

When you are born again the Holy Spirit in you does not live in His fullness as the Holy Spirit. He is just living and representing Christ and the Father in you. We cannot say you have the Holy Spirit. We can only say you have the Spirit of Christ and the Father in you. This is what we mean when we say that Jesus lives in you.

*Romans 8:9*

*But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his.*

You see in that verse; Paul says that the Spirit of God in you is actually the Spirit of Christ. He was talking about being born again and not about receiving the full Holy Spirit with tongues following.

When you have the Spirit of Christ in you, it is possible to dream dreams from heaven and see some little visions here and there without a gift of prophecy. It is just Jesus or the Father in you trying to speak to you just as He can speak to the rest of His children.

You cannot say that you are now filled with the Holy Spirit and that you now have gifts of the Spirit simply because you heard the voice of God or see a vision. That is just a normal thing about being a child of God.

***The Second Experience, the Infilling of the Holy Spirit.***

True gifts of the Holy Spirit will come the moment you receive the second experience, the infilling of the Holy Spirit. This time around you will see a huge difference between the results of being born again and the results of being filled with the Holy Spirit. I saw the difference in my life when the full Holy Spirit came upon me. That is when I knew for real that the Holy Spirit I used to feel before was simply a glimpse of His presence.

When He fills you the second time after being born again, He comes with a heavenly language called tongues. He knows the amount of God He is bringing in you and your natural earthly language would never have words enough to worship Him.

*1 Corinthians 2:11*

*For what man knoweth the things of a man, save the spirit of man which is in him? even so the things of God knoweth no man, but the Spirit of God.*

### *Why Speak in Tongues*

I want to ask you one thing. How many years does it take for a human being to understand everything about God? I mean understanding God to an extent that you would have exhausted Him and finished knowing everything about Him without needing to know anything more? How many years do you think you will need?

I do not know the answer you have given but I think we do not need years. Millions of years are not even enough to know everything about God. If people who have lived together for 50 or 70 years still cannot fully know the other person they live with then what about knowing God?

I believe we need eternity to know God. We need years that do not end. Time must come to a point when it surrenders and then eternity kicks in and we will live forever learning new things about God and still not coming to fully know Him.

Do you think you can sit down for hours with the most brilliant person on earth and discuss things on the same level? Let's say you know nothing about science and you are asked to sit for 4 hours discussing your scientific discoveries with the top

scientist in the world, do you think you can even last 10 minutes discussing science with that person when all you know is only the equation for photosynthesis?

But when it comes to God who knows everything you think you can pray for an hour with your earthly language discussing with Him your great discoveries about Him.

Do you know that you do not even know your life? You do not even know your future and what can make you succeed. We live like blind people here on earth. Whatever we do we only do in hope and assumptions that it may work. You marry and you are not sure if the person you marry will stay faithful to you and will live happily with you. You start a business but you are not sure who will become your customer. You are not sure if your products will be bought in the shortest time possible.

You vote for a presidential candidate based on promises he makes and not based on what you know the future holds.

You do not even know every detail about your life, your future and the implications of your decisions. If you do not know fully your own self

what makes you think you can know much about God who is more invisible than you?

The man Job and his friends were rebuked by God because they argued with God without knowledge and wisdom about God. They thought they were right about God.

My brother, my sister, do you think you can talk correctly and perfectly about God's mind with Him for just an hour. All we say when we pray is just the very little of all we think we know about God.

This is the reason why the Holy Spirit wants to give you a prayer language that your mind does not understand but God alone, and sometimes, His angels can hear.

Speaking in tongues is praying by the Holy Spirit using words that the Spirit knows are perfect to talk to God.

The Spirit of God knows the perfect will of God. He can help you to pray correctly by speaking in tongues.

When you have gotten deeper in the Spirit in your prayer the Holy begins to make you groan and make deep sighs before God. These are no longer tongues but it is now the Holy Spirit praying for you. Tongues are when the Holy Spirit gives you words

to pray and you pray those words yourself in tongues.

Groaning, cries and deep sighs in the Spirit are now the prayers of the Holy Spirit. It is now He Himself praying to God for you.

*Romans 8:26-27*

*Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God.*

## Chapter 5

### *Bonus Chapter*

---

The information I am sharing now is part of what I once shared on my page 'Munashe Soka Words' and I just thought to include it in here as well as a bonus chapter.

#### **Bonus information**

When God created man, He created him as a spiritual person who was more connected to God than to his own body of flesh.

Man's eyes saw through God's eyes; he smelled through God's nose, felt things through God's feelings and tasted things with the spiritual senses of taste that God had. Above all, he understood life through God's mind.

When man and his wife sinned, they were disconnected from God in their spirits. Since man's spirit is supposed to function through something, it started functioning through its body of flesh rather than through God.

Through your body of flesh, your spirit learned to walk in the flesh, to lust with the eye, to be fearful, to see impossibilities and limitations and many other negative things of the flesh.

Christ came to restore us to fellowship with God. He came to give us the life of God back into our spirits. However, man's spirit is so used to living in the flesh such that it takes time to train it to live through the life of God in Christ.

This is why we teach the word of God. It is a spiritual training your spirit needs to start living a life of faith and victory.

Let this book help you to grow deeper in your spiritual life. Reread it as many times as you can.
